Interests

Articles I usually like to start my day off by reading articles about current affairs, technology, sports, world.

Sports Whether it's indoor or outdoor, sports really excites me.

Music Depending on the mood, I can go from pop to hip-hop music.

Movies The art of sending messages to the viewer in quite an interesting manner fascinates me about the movies.

References

Movies Words Type your text

- Helps an user to store and get some of the difficult English words used in movies so that he can be acquainted with the vocabulary.
- Tech Used: Next.js, MYSQL, Redux, MaterialUI.
